Hubin Road, Huangshigang District, Huangshi City, Hubei Province, China.

Dory is a professional manufacturer of cosmetics packaging containers and kinds of plastic molds, which integrates design, development and sales. Our main products include: kinds of plastic extrusion molds, injection molds, and powder box, eye shadow box, lip gloss bottle, eyelash / Eyeliner bottle, lipstick tube, powder box and all kinds of plastic packaging containers. At the same time, we can develop various plastic molds according to the needs of customers. At present, the products are exported to Europe, America, the Middle East, Southeast Asia and other regions, won the praise and trust of domestic and foreign businessmen.

After years of development, we have a modern factory building, a number of high-precision injection molding machines, automatic painting production lines, vacuum coating machine, CNC computer numerical control machining center, advanced hollow extrusion molding machine and printing machine and other advanced equipment.

"My factory, your brand,". It is our constant purpose to service for you.
